

Our support programmes

Already 10 partner associations since 2021

Step Up Programme

An **incubation programme of 1 to 3 years** within the Foundation, combined with a **co-construction approach** and a **partnership-based dynamic**, to support associations in developing their structure

For which associations?

National associations that are already structured and seeking to accelerate their development, with a strong vision and a need for resources and 360° support.

What types of support?

Full support

- **Financial:** € 12,500 per year
- **In-kind:** access to our sites and residences, donations from partners
- **Skills:** mobilisation des collaborateur·rice·s du Groupe PVCP

Boost Programme

NEW

17 new associations in 2025!

For which associations?

National or local associations that still need time to structure themselves and benefit from 360° support, **or** associations that need support for a specific project

Quels types de soutien ?

Personalised support

- **Financial:** up to €5,000 per year
- **In-kind and skills:** depending on the project and requirements
